

Complaints, Comments and Suggestions

All members of our team try to offer the best care in the quickest and most courteous way possible. At busy times this may mean you have to wait longer to be seen. We welcome verbal and written comments and suggestions.

If you wish to make a complaint please ask reception for our complaints procedure leaflet. Formal complaints are managed by our practice manager. These should be made in writing and marked private and confidential.

North Staffordshire Combined Healthcare Trust has a Patient Advice Liaison Service who can be contacted on 0800 389 9676. They provide people with extra support and advice when using health services.

Patients also have the right to complain to the Staffordshire and Stoke-on-Trent ICB. Information about giving feedback or making a complaint can be found on the ICB website [Patient advice and liaison service / complaints - Staffordshire and Stoke-on-Trent ICB](#).

Complaints can be made to the ICB by telephone, email or post.

Booking Appointments

Appointments can be made in person, online, or over the phone (01538 704200). Appointments with the GP can be booked a week in advanced and booked on the day.

Patients should always contact the Practice if they are unable to keep an appointment.

Online Consults

To avoid calling the surgery you can complete an online consult via our practice website or the NHS app. This will be triaged by a member of our clinical team and you will receive a response within two working days.

Alternative Services

If you are out of our practice area and require NHS services, including Opticians and Dentists, head to the NHS Services website <https://www.nhs.uk/nhs-services/services-near-you/>.

If you have changed address and no longer live within our practice area you can also use this website to locate a GP surgery close to your home address. A map of our practice area can be found on our website.

Communication and Information Needs

Communication from the practice can be made via telephone, in person, email or text message. Please advise reception if you wish to be contacted by these methods. If you require information in an alternative format please advise reception so that, if possible, this can be provided. We also have an induction hearing loop at reception for those who require the service.

Online Services

Patients can order prescriptions, view medical records and book appointments online. Please complete the Online Services Registration Form, available from reception, if you wish to register for this service. You will need an email address to set up a an account.

PPG

The PPG is a group of patients who work with the practice team to establish and embed an effective relationship between the practice team and the patient population. If you are registered at the surgery you are more than welcome to join. Ask a member of the reception team for more information.

Violent and Abusive Behaviour

Like the rest of the NHS we operate a ZERO TOLERANCE policy. Anyone displaying such behaviour may be reported to the Police and will be required to find an alternative GP.

Families' Health and Wellbeing Service (0-19)

A text messaging service for advice from Public Health is in place for parents and carers of children aged 0-19, texts can be sent to 07520 615 722. Or you can call the service on 0300 303 3923.

Test Results

Routine results are available between 2:00pm and 4:00pm, 48 hours after the blood test has been taken. Certain results for other samples and investigations may take longer, especially x-rays.

Home Visits

Whilst we encourage patients to attend the surgery, we do appreciate that this is not always possible. In this respect, if you do require a home visit, please call reception before 11:00am. The Doctors prefer to speak to the requestor of the visit to understand the nature of the problem. The practice conforms to the 'North Staffordshire Visiting Guidelines'.

New Patients

The surgery requests that any individuals wishing to register completes our Patient Registration Pack. Patients must live within our practice area to register, this can be found on our surgery website.

Health Checks

Patients between the ages 16-75 who have not been seen within 5 years are welcome to request a health check at their next consultation. Patients over 75 who have not been seen for 12 months can request a health check at their next appointment.

Dispensary

To order a repeat prescription please call the surgery on 01538 704200 and press option 2.

Telephone requests for repeat prescriptions are only taken between 9.00 am and 1.00 pm Mon - Fri.

Repeat Prescriptions

By giving us 72 working hours notice we are able to order and prepare most medications. Unfortunately medications are not always available as they may be out of stock at the manufacturers, to minimise any inconvenience please give as much notice as possible when ordering. You are also able to order repeat prescriptions online.

Dispensing Patients

Please note that we are only able to dispense to patients who live more than 1 mile (1.6km) as the crow flies from a Pharmacy.

Electronic Prescription Service

For those patients not eligible to have their medications dispensed from the practice, we are able to offer the electronic prescribing service whereby your prescription is sent electronically to a chemist of your choice.

Urgent Supply of Medications

Should you require an urgent supply of your medications, please speak to our dispensary team. If we do not have the required item in stock, and cannot obtain this for you in the timeframe required, we can provide you with a prescription to take to one of our nearby Pharmacies.
